# 1 STATEMENT OF WORK

## 1.1 OVERVIEW

Grainger PLC will be rolling out the new End of Tenancy process to the business during December 2023/January 2024. While Grainger PLC are taking ownership of the change management process, including user training, Open Box proposes to assist by providing training material in the form of a user guide.

## 1.2 OBJECTIVES

The objective of this engagement is to deliver a user guide for the Salesforce *End of Tenancy* (EOT) functionality.

1. The user guide will be a single document which aims provide a high-level overview of the following EOT functionality:
  - a. The overall EOT process in Salesforce.
  - b. Where each of the teams' responsibilities lie within the EOT process.
  - c. How to create an EOT.
  - d. How to find which tasks need to be completed.
  - e. How to start and complete a task (within Salesforce).
  - f. Delays & overdue tasks.
  - g. How to cancel or close an EOT.
  - h. Updates to other Salesforce objects (unit, tenancy) triggered by the EOT process.
  - i. Reports relevant to most end users.
  - j. Functionality for EOT owners:
    - i. Identifying EOTs at risk
    - ii. Approving a request to cancel or close an EOT.
    - iii. Void cost & KPI report.
2. Training material will be delivered in an editable format (e.g., a Word document) which Grainger PLC can update if required.

### 1.3 EXCLUSIONS & LIMITATIONS

1. The user guide will **not** include:
  - a. Information about what steps need to be taken for an EOT task to be considered complete.
  - b. How to complete tasks beyond updating the task in Salesforce. Including, but not limited to, how to update Qube, FSI, other related systems in order to complete an EOT task.
  - c. Generic Salesforce functionality (e.g. how to filter a report).
2. All work will be completed by Open Box offsite.

### 1.4 RESPONSIBILITIES

1. Open Box will be responsible for:
  - a. Providing the documentation described in the [Objectives](#).
2. Grainger PLC will be responsible for:
  - a. Conducting all user training.
  - b. Any other change management-related communications to business.

## 2 PROJECTED COST AND TIMELINES

Open Box will provide the following services:

- 5 days (40 hours) of Business Analysis time to create a user guide, at a cost of £630/day.
- i.e. the total cost will be £3 150.
- The work is expected to take 6-8 working days from sign-off on this Statement of Work.

This quotation is valid until 8<sup>th</sup> December 2023.

All amounts are quoted in GBP (£) and exclude VAT, if applicable.

Project costs will be billed monthly, in arrears.

### 3 ACCEPTANCE

The parties hereto, each acting under due and proper authority, have executed this Agreement as of the day, month and year first written below.
